

LOGISTICS & DISTRIBUTION

Setup multiple e-commerce sites

National Distribution Company

The challenge

A single company.

Multiple product lines.

Multiple web properties.

Make it all work.

What we did

navitend's software team partnered with this client to architect, design, build and support multiple commerce-enabled web properties.

The result

Our client is well-positioned to grow their multiple product lines in the modern commerce marketplace.

Talk to a person, not a ticket

Tell us what's going on. We'll listen, ask good questions, and give you a straight answer about whether we can help.
